

54-100 Designation and layout of grounding points

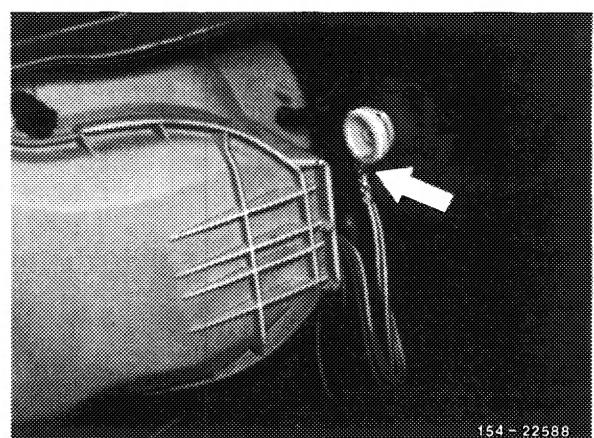

Designation: M 1

Layout: Main ground behind instrument cluster

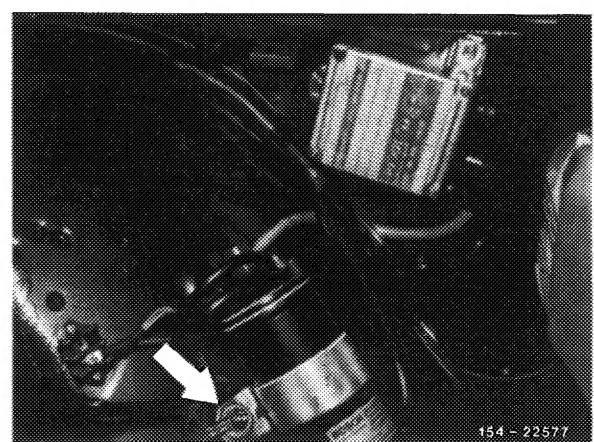

Designation: M 2

Layout: Ground at front right, near lamp unit

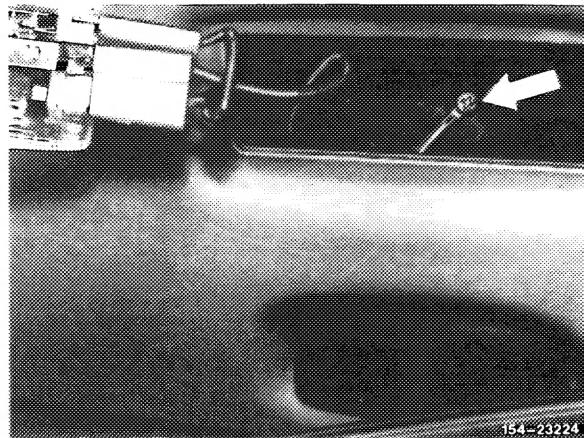

Designation: M 3

Layout: Ground at wheelhouse front left, near ignition coil

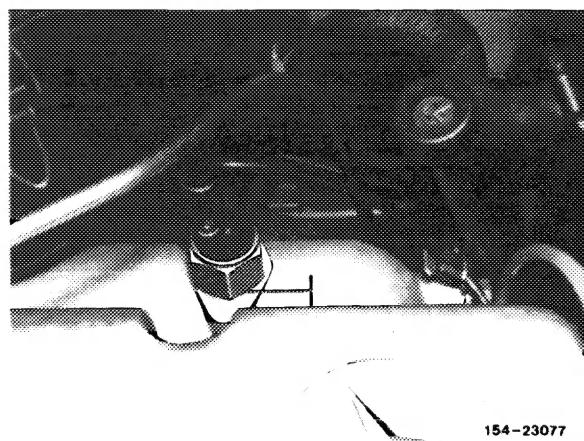

Designation: M 4

Layout: Ground, dome lamp front

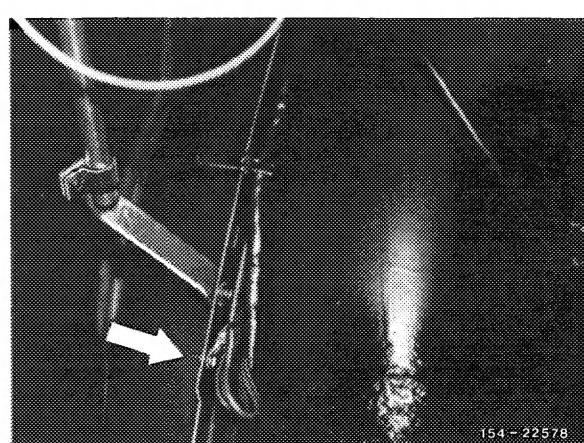

Designation: M 5

Layout: Ground engine (unit screwed into engine,
e.g. temperature sensor)

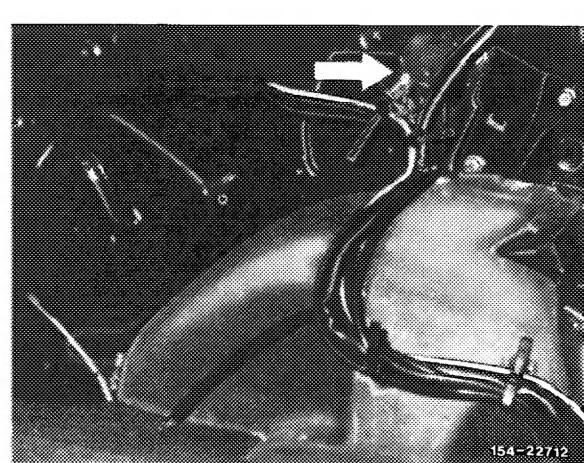

Designation: M 6

Layout: Ground, trunk at wheelhouse left

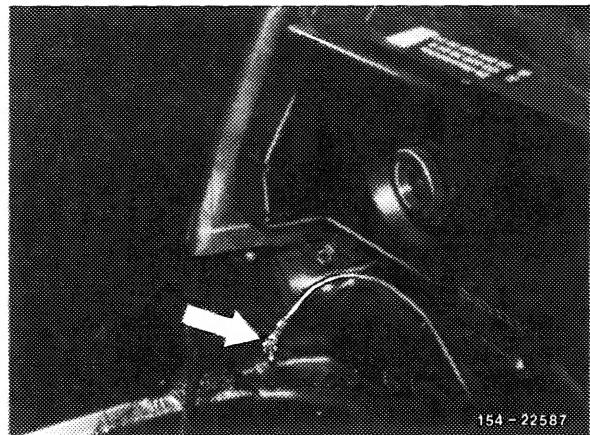

Designation: M 6

Layout: Ground, trunk above wheelhouse left
T-models

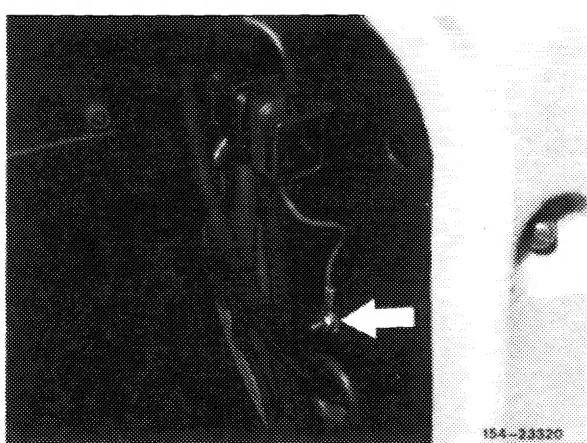

Designation: M 7

Layout: Ground, trunk at wheelhouse right

Designation: M 7

Layout: Ground, trunk rear, wheelhouse right
T-models

Designation: M 8

Layout: Ground back door, T-models
